MAY 2015**

Ahoy Skippers!

The season will begin on Saturday May 23rd (first day park is open) with something new. This is traditionally the day we put in the marks and have some open (tune up) sailing. This year on May 23rd we will hold an “Opening Season” pizza party for club members and their wives or significant others. This will replace our Commodore’s Picnic at the end of the year. The club will supply pizza and beverages. Let Mary know if you intend to attend. Sunday May 24th will be the start of the season with Star 45s in the morning and Seawinds in the afternoon. I suggest bringing a Star and/or a Seawind on Saturday if you want to tune up your boat. However, any boat is welcome.

Fleet Captains for 2015 are:

Thursday Seawind Chris Anderheggen
Thursday Soling Steve Gromko
Sunday Star 45 Bob Shluger
Sunday US1Meter John Arkenberg
Sunday Seawind Open
Sunday Soling Open

Anyone interested in being a Fleet Captain please contact me

The Corps of Engineers has started work on our lease agreement, however, the lease will not be ready at the start of this season. Therefore, we will be using a Special Use Permit (SUP). The buoys were installed on May 12th. I will take a look at the buoy placement when I visit the Corps to sign the SUP later this week.

Attached is our “For Sale Listing”. Please let Mary know if you have more items or when items are sold. Please remember any “dealings” are between buyer and seller. The club is only the means to get the information “out there.”

Get your batteries charged!
